# HOW TO DETERMINE WHAT VERSION OF SALES-I YOU ARE USING - ANDROID

sales-i is a constantly evolving app. New versions are being released often with fresh new features to benefit you and make selling easier.
This guide will show you how to find out what version of sales-i you are using.

01 To see the version of the sales-i app you are using on your Android device, firstly top on your sales-i app.

02 You will now see the sales-i log-in screen.

The version of the app you are using is in the bottom left hand corner of the screen.

Please note: We always recommend using the latest version of the sales-i app,

To check if you need to update the sales-i app visit the **Google Play Store** on your Android device and search for **sales-i**.

If you need to update to a newer version of sales-i, a button saying **Update** will be viewable. Tap this to update to the newest version.
