03 TAP FULL PICTURE

There are 3 enquiry types: Full Picture, Variance, and Sales vs Gaps

Each report formats the data in a unique way to help you extract the information you need.

To find your biggest spending customers this year-to-date, tap Full Picture, this will use the default date range, which is year-to-date.

You will then see the Bubble screen.

Here, you can pick from the five main categories of bubbles: Customer, Sales Team, Calendar, Sales, and Product (you may have further categories depending on your data). Each helps you drill into your data from a different viewpoint.

To see your biggest spending customer, tap the Name bubble under the Customer category.

05 RESULTS TABLE

Your biggest spending customers year-to-date are now displayed by sales value.

These customers are automatically sorted in descending order in a results table.
