

HOW TO PIN A SAVED SEARCH - ANDROID

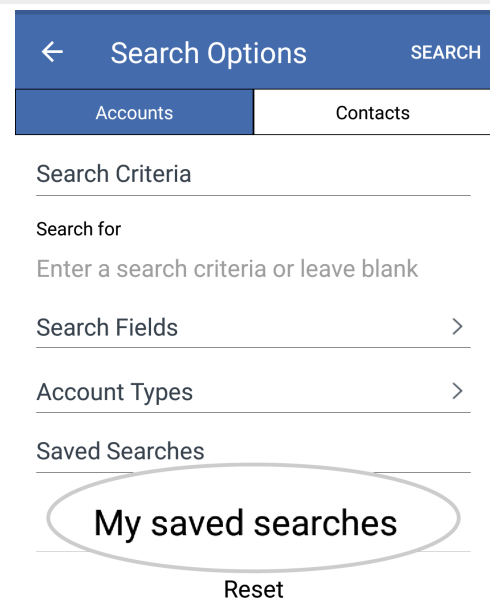

Pins is a feature which allows you to pin some of your favorite areas of the system to your home screen, making it easier to find what you want each time you log-in. This guide explains how to pin a Saved Search.

01 From the sales-i home screen, tap **Accounts**.

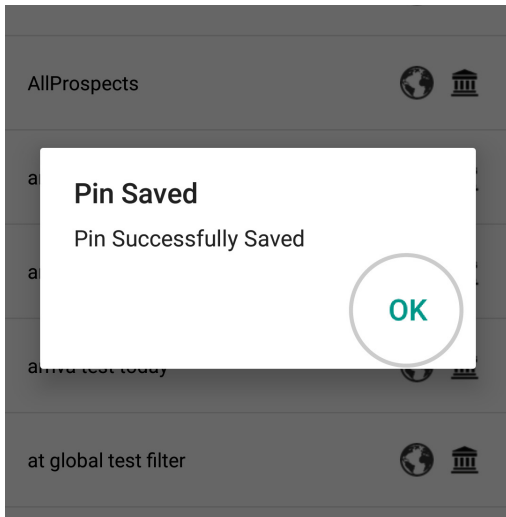

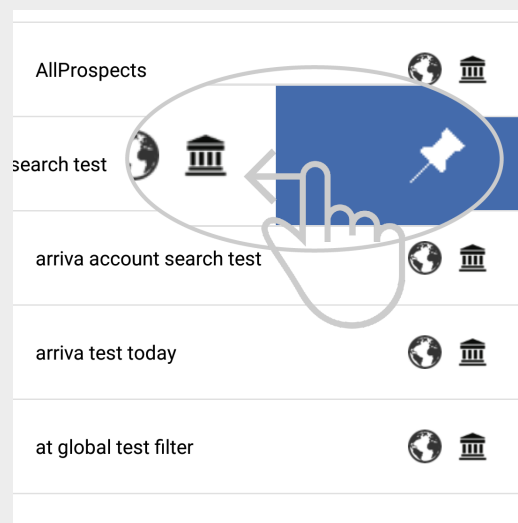

02 To start a new search tap the **three lined action button** in the bottom right corner of the screen, followed by the **magnifying glass Search icon**.

03 Next, tap **My saved searches**.

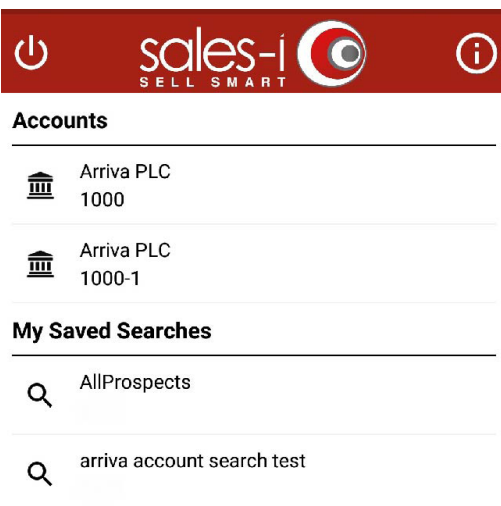

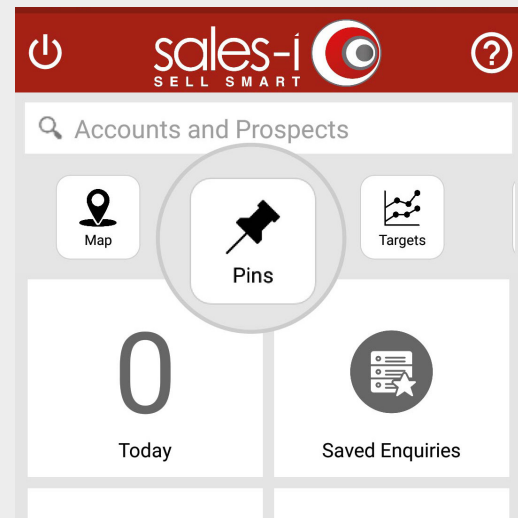

04 Scroll to the saved search you would like to pin and then swipe on it from right to left.

05 You will now see a message notifying you that either your Pin has been 'Successfully Saved' or that you 'already have this pinned.' Tap **OK**.

06 Your saved search has now been pinned to the home screen.

To access a list of your pins:
Navigate to the sales-i home screen and tap **Pins**.

07 You will now see a list of all of your pins, tap on your chosen pin to access it.

Don't forget you can also pin Accounts too on your Android device.
