

HOW TO USE THE MAP FEATURE ON YOUR ANDROID DEVICE

The Map feature allows you to view the location(s) of your interactions on a map, based on your planned diary using the MyCalls section of sales-i.

01

From the home screen, tap the **Map icon** in the top left corner.

02 If you have calls already in your diary for today, they will automatically plot to the Map.

If this is the case skip to Step 4.

03 If you have no calls in your diary for today or you would like to view your calls for a different day, Select the date you wish to view the upcoming interactions from the date selector.

Please note: The interactions must be present in your MyCalls diary.

Once you have selected your choosen date click **OK**.
